As part of their annual growing effort to serve the community California Dental Group will provide free emergency dental care to those who don't have the money to go to the dentist. This gives people an opportunity to take care of dental problems before they become more serious, and more costly.

California Dental Group has been serving Southern California for over 25 years with a long-standing tradition of community service. A recognized leader in all aspects of dental services including family dentistry, dental implants, and all cosmetic dentistry procedures. California Dental Group has 7 offices throughout Southern California and is accredited by the American and California Dental Associations. The highly trained staff of dentists is licensed to practice by the Dental Board of California and all specialists are Board certified.
